

## ESPAS 20-T

The ESPAS20-T desktop validator is an all in one device offering all the functions of a manned station without wiring or the use of a PC. The validator is designed to meet the needs of small and medium-sized car parks requiring a device that is easy to install, configure and maintain.

### BASIC COMPONENTS

- Backlit alphanumeric display showing the price to be paid
- Built-in optical module for 2D barcode reading
- 3 function keys for settings and printing tickets for:
  - one entry and one exit
  - unlimited access for a given period
  - exiting the car park after a given number of hours
- Upper opening for replacing tickets and cleaning the printer

### SPECIFICATIONS

- Power supply: 230 Vac/50Hz
- Power input: 70 VA
- Weight: 4 Kg
- Operating temperature: from 0°C to +50°C
